Dear friend,

Drop in for a campus tour, talk with our program staff and educators, and learn more about programs at VHBG that are helping young people. We're excited to show you our newly renovated Dining Hall building featuring a Culinary Arts center. So please join us for light hors d'oeuvres and drinks from 5:30-7:30 p.m. Our campus tours are always informative and we look forward to seeing you!

Guests are kindly asked to bring a medium gift bag filled with shelf-stable pantry goods that will support our Independent Living program, which serves young people ages 17-25. Sample items include condiments, salad dressings, spices, pasta, meal kits, and salt and pepper.
