We're getting the BAND back TOGETHER! We were not able to host this important fundraising event the past three years due to the pandemic but we're back in 2023. Our **Band Together** fundraiser offers live music from *Trademark*, dancing, gourmet food, and specialty drinks. There's still time for you to be an influential early supporter and/or sponsor that includes special privileges and recognition for you. So, plan to attend our 2023 Band Together and enjoy an evening with friends who share your passion for helping young people in crisis. **Buy your tickets today at bit.ly/BandTogether2023 or please contact Philanthropy@vhbg.org for more information.**
